**“PEACE STARTS WITH INDIVIDUAL ACTION,
AND YOUR ACTIONS INSPIRE OTHERS TO
DO THE SAME.**

Peace Day 21 September 2014 is really an opportunity for all of us to become engaged in the peace process with our families, friends and communities.

By working together and making peace with each other we can improve the quality of our lives.

**PEACE DAY IS NOT JUST ABOUT
A REDUCTION OF VIOLENCE IN AREAS
OF CONFLICT, IT'S ALSO ABOUT
REDUCING VIOLENCE IN OUR HOMES,
COMMUNITIES AND SCHOOLS”**

PAINT FOR PEACE - PROJECT OVERVIEW

Phase 1: Ride the Wave Foundation in collaboration with **Kaleidoscope Arts Foundation** will provide the schools with the art supplies needed for the project, thanks to our sponsors' generous support.

Phase 2: the teachers will help the kids with **brainstorming** about peace. *What does peace mean to you? What does peace look like?*

Phase 3: the kids will **interpret** the peace statements through their art.

Phase 4: the best 100 paintings will be chosen to be part of a big show next September in the City Hall - Kids art will sell for \$ 100 and the money raised will go back to help the ARTS in the Bermuda Schools.

Phase 5: all the art will be digitized and shown at the next PEACE DAY CONCERT.
